

Day3: Main Meeting Day 1–Satellite papers (Wednesday 31st)

		Koryu-to Hall
9:00–9:15	Welcome	Yoshihide Hayashizaki
Session 1: Satellite presentation 1 (Chair: Carsten Daub)		
9:15–9:45	Phase 1 and Promoterome paper	Alistair Forrest
9:45–10:05	Analysis of adipogenesis in human primary adipose-derived stem cells	Anna Ehrlund
10:05–10:25	Analysis of FANTOM5 cerebellum development time course CAGE library	Thomas Ha
10:25–10:45	Early and late changes in gene expression during mineralization of SAOS-2, a human osteosarcoma cell line model for bone	Kim Summers
10:45–11:15	COFFEE BREAK (with group photo)	
Session 2: Satellite presentation 2 (Chair: Alistair Forrest)		
11:15–11:35	Interindividual variation and stimulus specificity in the inflammatory response	Kenneth Baillie
11:35–11:55	Identification of functional non-coding RNAs during bi-directional differentiation from mouse mesenchymal stem cells to adipocytes/osteoblasts	Yutaka Nakachi
11:55–12:15	The Transcriptome of macrophage activation & mycobacterium infection	Frank Brombacher
12:15–12:35	Human lymphatic endothelial cells response to vascular endothelial growth factor-C	Michael Detmar
12:35–12:55	Global transcriptome derivation of human skeletal muscle cell differentiation and Duchenne muscular dystrophy progression	Valerio Orlando
12:55–14:10	LUNCH TIME	
Session 3: Satellite presentation 3 (Chair: Harukazu Suzuki)		
14:10–14:30	Time course analysis of erythroid differentiation: transcriptional regulation of erythropoiesis	Louise Winteringham
14:30–14:50	Elucidating gene regulatory networks underlying early brain development in Down syndrome with iPSC	Ernst Wolvetang
14:50–15:10	ARPE-19 retinal pigment epithelial cell line, epithelial to mesenchyme transition	Soichi Ogishima
15:10–15:30	Gene regulatory networks in T cell lineage specification	Tomokatsu Ikawa
15:30–15:50	Immediate-early genes as regulators in cancer and vascular disease	Levon Kachigian
15:50–16:20	COFFEE BREAK	
Session 4: Satellite discussions (Chair: Piero Carninci)		
16:20–16:50	Future FANTOM	Yoshihide Hayashizaki
16:50–18:20	Publication strategy: individual vs. integrated analysis	
18:20–20:00	Welcome Dinner	Place: RIKEN restaurant
